**Packet due: The 3rd full day of school**

Dear Riverside Students and Parents,

Following an eventful and tumultuous last school year, I know most are looking forward to a stress free summer. I encourage students to practice math by completing this summer packet or completing the listed ixls for the grade levels to keep those skills fresh. These assignments will focus on some of the skills and concepts necessary for success in your grade as well as sharpen skills you have already learned. Please complete the packet in pencil and make sure your handwriting is legible. If you choose to do the IXL, it's the same criteria we followed during the school year. ( 20 mins or 80%) Do not use a calculator because you will not be allowed to use one in class. If you are stuck on a problem, I've listed some websites below that may be helpful.

Have a fun and safe summer and I look forward to seeing you in August!!!
