**Notes:** Rule 1.9 of the LHSAA By-Laws, states that this contract shall remain in effect for the remainder of the student's eligibility. This means the contract only has to be signed once by both the student and his/her parent or guardian but the terms remain in effect for the student's entire high school career.

According to Rule 1.9.1 of the LHSAA By-Laws, without the signature of the student athlete and his/her parent/guardian, the student is ineligible to participate in interscholastic athletic contests at all levels of play in all LHSAA sports at all LHSAA schools until compliance with Rule 1.9.1 is obtained from both parties.

Any student participating in an interscholastic athletic contest(s) without a properly signed contract shall be classified as an ineligible student and both the student and school shall be penalized according to Rule 1.9.1.

Signature of the LHSAA's contract does not necessarily mean the student athlete will be tested. Federal courts have consistently ruled participation in high school athletics is a privilege, not an educational right.
