To Whom It May Concern,

Riverside Academy is excited to prepare for its 31st Annual Open Golf Tournament on March 31, 2022.

In preparation for another exciting football season with head football coach, Lee Roussel, we are seeking sponsors to make this tournament a success. With multiple levels of sponsorship opportunities, we ask that you consider being a part of this year's tournament.

In addition, we are also seeking food and beverage sponsors to set up and serve on certain holes throughout the golf course. You are allowed to set up your advertisement booth to your liking.

In appreciation for your donation and/or sponsorship, the Riverside Academy Golf tournament committee will ensure you receive the following:

- Brand Exposure
- Networking Opportunities
- Content (Newsletter, Social Media)
- Tax Benefits
- Thank You Gift

Through your contribution, the program is planning to raise funding to provide for our athletes.

Your consideration in contributing to this benefit is greatly appreciated, and we look forward to seeing you at our tournament. Sponsorship information is provided on the attached form.
