Fundraiser Obligations

**Dominique Zenon**  
Assistant Principal

Riverside will have two major fundraisers that will be mandatory obligations for all families during the 2024 – 2025 school year. You may choose to participate in the fundraising event or pay the required fees upfront.

**Kristin Roccaforte**  
Elementary Supervisor

Families selecting to participate in the fundraising events above, but who do not meet the obligation by the due date of each event, will be charged the outstanding amount on their family account. These fees will follow the same collections policy as tuition payments.

**Crystal Millet**  
Preschool Director

Other fundraising activities may occur throughout the year for which participation is greatly appreciated.

**Coy Boé**  
Counselor

These school fundraisers provide necessary funds for the school to meet the demand of ongoing operational costs and necessary capital improvements. These funds enable the school to keep tuition and fees lower for attending families. While some families may choose to pay upfront, these events provide families with the opportunity to reduce their costs.
