Dear Future Sponsors of Riverside Academy,

The 2024 Riverside Academy Spring Festival is in our near future and will be held the weekend of April 19, 20, and 21. Our theme this year is “Family Board Games” and will feature a bevy of rides, games, band concert, craft booths, live auction, cook-off, bake-off, car show, and corn hole tournament as well as variety of fair food, lunch and dinner plates, beverages, and desserts for all to enjoy. In addition, there will be a total of eight bands playing throughout the entire weekend complete with theme nights and several of them including Alumni members from our very own Riverside Academy.

With the generous support from prospective sponsors like yourself, the school can continue to make improvements to this event as well as campus wide improvements that benefit the entire school. These fundraising events continue to help us further repairs and improvements left on our campus from unforeseen events by Mother Nature including damages from Hurricane Ida.

We ask that you please consider contributing as a sponsor. If you are interested, please send your sponsorship to Riverside Academy at 332 Railroad Avenue, Reserve, LA 70084. Riverside Academy is a non-profit corporation, and your contribution may be tax deductible.

With the support of Rebels like you we hope to provide our youth with the best that education brings.

Thank you for your consideration in securing our children’s future.

Sincerely,

*Dana Luminais Milioto*
