Fundraiser Obligations

Riverside will have two major fundraisers that will be mandatory obligations for all families during the 2025 – 2026 school year. You may choose to participate in the fundraising event or pay the required fees upfront.

Families selecting to participate in the fundraising events above, but who do not meet the obligation by the due date of each event, will be charged the outstanding amount on their family account. These fees will follow the same collections policy as tuition payments.

Other fundraising activities may occur throughout the year for which participation is greatly appreciated.

These school fundraisers provide necessary funds for the school to meet the demand of ongoing operational costs and necessary capital improvements. These funds enable the school to keep tuition and fees lower for attending families. While some families may choose to pay upfront, these fundraisers provide families with the opportunity to reduce their costs.

1. Spring Fest Work

Each family must send one representative (age 16 or older) to work the minimum required time of 2 hours during Spring Fest weekend or pay a \$200 fee. A sign-up schedule will be sent closer to the festival to sign up for available time slots. The festival will be in March/April 2026. If you choose to not participate in this fundraising event, you can pay the \$200 upfront with registration.

Please Choose One:

_____ I will work the minimum required time of 2 hours during Spring Fest weekend.

_____ I will pay the \$200 fee upfront with registration.

2. Calendar Raffle

Each family must contribute the minimum amount of \$496 for one full calendar raffle. Calendar raffle will be sent to you via email at the beginning of the school year and will be due in September. If you choose to sell the calendar raffle, you must return the full amount of \$496 for the raffle. If you choose not to participate in this fundraising event, you can pay the \$496 fee upfront with registration.

Please Choose One:

_____ I choose to receive and sell the minimum required calendar raffle for \$496.

_____ I will pay the \$496 fee upfront with registration.
