

School Tool Box School Supplies

www.schooltoolbox.com

We are excited to announce that we have once again partnered with School Tool Box for our PK 2 – 6th school supplies. Through School Tool Box, you have the option to purchase all supplies specifically chosen by our teachers in one spot, and they will be shipped directly to your home. Another great tool is that you have the option to add more items or remove items that you may already have left over from the previous year.

If any of your supplies arrive damaged or if an item breaks throughout the year, they do replace the items.

Some of our lists do require supplies not provided by School Tool Box.

We are so thankful to work with School Tool Box, and we hope that you find it as beneficial as we do.
