We're going to:

# Ireland & England

Summer 2022

Dear Parents & Guardians,

I am thrilled to share these travel opportunities with your student! Imagine your child experiencing a life-changing journey as they watch their studies come to life. The impact of travel extends far beyond high school; this experience will help set your student apart when they apply to college or start their future career. With so much uncertainty this past year, we all want our students to have something to look forward to. How about the adventure of a lifetime?

Learn more about our exciting travel program at an information session where we'll discuss:

- What we'll see and do
- Travel logistics
- EF's commitment to safety & peace of mind
- How to earn high school/college credit
- Affordable payment options and risk-free enrollment
- And much, much more

Join my interest list (link below) for access to the webinar and to receive further tour details. We also have a brand-new scholarship opportunity that each family on the interest list will be eligible for, can't wait to tell you more!

I look forward to seeing you there,

Jenny Gomez
